A DEGREE THAT STANDS THE TEST OF TIME.

As a City College student, you've stood with us through some hard times. We're proud to be your college, and we've got your back.

CCSF is committed to facing the challenges of the present, and coming out even stronger in the future. We educate more students than any other community college in the United States, and we're not about to quit. Neither should you.

Your CCSF degree sets you apart from the crowd. Employers and universities know us from decades of top-quality instruction and training, and they respect our graduates.

You've proven that you've got what it takes. It's time to stand up and finish your degree. Spring classes begin Jan. 14. Register now at www.ccsf.edu.
