CITY
COLLEGE
OF SAN FRANCISCO

IT'S
TIME TO BOUNCE BACK
TO CITY COLLEGE.

Life is full of challenges, and you've always met them with grit and determination. College is the same way. It's not always easy, but with a little strength and resolve, you can earn your college degree – something that will resonate throughout your entire life.

City College knows what it's like to face challenges, too. We've worked hard to remain the most attended community college in America, and to stay relevant in an ever-evolving economic and technological landscape.

The future of our college is bright, and it all starts with the success of our students. We offer services like advising, tutoring, and career counseling. We've got flexible scheduling and financial aid available to make college accessible to everybody. We're in this thing together.

Visit us online at www.ccsf.edu to bounce back to City College. Spring classes start January 10, 2014.
