CITY
COLLEGE
OF SAN FRANCISCO

STAND UP FOR YOUR FUTURE.

Getting your college degree means finishing what you started. Setting a shining example for your family, and securing a better future for yourself. You've proven that you have the resolve finish college. ***Now, it's time to come back to school*** and meet the challenge head-on.

Fighting through the hard times is what makes us San Franciscans. Our city has seen it all: natural disasters, social unrest, economic downturns. But we've always come out of it stronger. ***More determined.***

Our city isn't afraid of hard work, and neither are you. Call 415.239.3285 or visit us online at www.ccsf.edu to sign up for the spring semester. But hurry! Registration ends soon.
