

Hard work has its rewards. It's true in higher education and it's especially true in the healthcare field, where career education grads are earning amazing salaries right out of college.

The healthcare industry continues to thrive, employing nearly 2 million people statewide. It's a high-energy, high-impact career path that's sure to lead to a high salary:

Licensed Practical Nurses: **\$63,190***

Dental Hygienists: **\$97,110***

Radiologic Technicians: **\$94,810***

Health Information Technologists: **\$81,490***

Registered Nurses: **\$122,190***

*Median wage, Riverside-San Bernardino-Ontario. Bureau of Labor Statistics via ONET Online

Short- and long-term pathways are available... but time is running out. **Complete your application** to join us in time for the upcoming semester.

*"They really prepare you to be ready. We go into the clinical setting and we're never unsure of what we're doing. **We're always ready.**"*
