## It's a Regional *Revolution!*

The Inland Empire-Desert region is **#1**.

It's true! Our region is home to the #1 fastest-growing economy in all of California. But there's a problem: we don't have nearly enough qualified professionals to meet critical demand.

With more than **one million new jobs** expected to surface across the state by 2025, there's never been a more opportune time to get a workforce-ready career education. Norco College career education students launch their careers **faster**, with higher starting salaries.

You've already been accepted for the upcoming term—all you have to do is lock in your classes!
