

READY *career
education*
at your local community college

**'I WAS LOOKING FOR A CAREER.
I FOUND A COMMUNITY.'**

Your career education program is more than just a bridge to a better job. It's an active, *alive* college experience that encourages students to collaborate, making lifelong connections along the way.

This is your chance to be part of a career education community that's committed to innovating the future of industry in our region. Just pick a high-paying pathway, choose your classes, and start building your network for *what's next*.

1. **SELECT...** Explore programs, jobs, and salaries available now.
2. **CONNECT...** Complete your application and access financial aid advice.
3. **COLLECT...** Get on the fastest path to success in your chosen industry.

A new term is starting NOW. **Don't miss out!**

GO!
