

READY *career
education*
at your local community college

Opportunity isn't just knocking for *Ready* career education grads. It's throwing the door *wide open*.

More than ever, Industries in the Inland Empire/Desert area and beyond are craving career-ready talent. Now is the time to set the foundation for a high-paying career and a high-ceiling future.

We've made it easy to launch your *Ready* career program.

1. **SELECT** a program.
2. **APPLY** for admission.
3. **SECURE** a convenient class schedule.

Now accepting students for the upcoming term. Don't wait another day to start doing what you always wanted.

I'M READY.

READY *career
education*
