

**READY** *career  
education*  
at your local community college

Do you have questions when it comes to career education? Are you ready to *rise up* in a career you're passionate about, but worried about some aspect of the higher education journey? **Let our experts answer your questions & ease your mind.**

*Don't let doubt derail your degree!*

- **It's too expensive.** Ready career education is one of California's best higher education values, leading to starting salaries of \$65K and more!
- **I'm too busy.** Programs are designed with the working adult in mind, with flexible scheduling and hybrid options suited to your fast-paced life.
- **I'm not ready.** We're more than a college... we're a community, committed to supporting your career goals from *day one*... to the day you reach your destiny.

Visit us online, get to know your advisors, and get ahead of the game before your program launches. **The first step is to apply.**

LET'S GO.

**READY** *career  
education*
