

READY *career
education*
at your local community college

It's always nice to be *needed*. And with the future of California's economy depending on an educated workforce, community college grads are poised to be the next generation of industry VIPs.

"People need you, and they're willing to pay top dollar and will continue to train you," says *Ready* career education instructor Kfir Mendelovitz. **"If you want to work, there is a line of places waiting to hire."**

More than ever, it pays to have the latest high-tech career skills. Choose your custom path – and connect to one-on-one support. It all starts with a fast, easy-to-complete application.

Are you *Ready*?

APPLY NOW.
