

# Business & Entrepreneurship careers and training

Community college business programs provide skills that span industries engaged in commerce and the public sector. Training is available in accounting, management, marketing, office support, real estate, sales, and more. The skills taught in these programs may be transferred to a four-year university or used for professional development.

## Business jobs

## How many job openings will there be each year?

## What do these jobs pay per hour?

Entry-Level  
10th percentile

Median  
50th percentile

Experienced  
90th percentile
