

You're invited to a Virtual Career Expo on April 25, 2023!

## Tell your friends. Tell your future.

You don't need a crystal ball to observe the surging value of career education in the "Innovation Empire." More than ever, it pays to be Role READY, and there has never been a better time to bring your future into focus.

**You're invited to the Role *READY* Virtual Career Expo** - a convenient, flexible online showcase for career pathways in the Inland Empire/Desert region's most essential and emerging industries. Let experts representing our 12 local community colleges connect you to fast, focused programs in Business, Healthcare, Energy, Manufacturing, IT, Public Safety & much more!

## Join us on Tuesday, April 25, 2023! 6:00 pm-7:30 pm

### Visit 'Virtual Breakouts'

*Connect, at your convenience, to informative online presentations from game-changers in your future industry.*

### Engage Admissions Experts

*Find your nearest "Ready" community college and get the support you need to enter your new career education program, stress-free.*

### Launch a Better Life

*Pursue a career calling... or spark a brand-new passion in one of the Inland Empire/Desert region's highest-paying industries.*
