

**BUSINESS**

**& ENTREPRENEURSHIP**

**Satisfying career.  
A limitless future.**

It takes more than *desire* to succeed in the ever-evolving world of business and entrepreneurship. You need a firm foundation in the philosophy, practice, and technology of modern business. **You need a career education.**

Virtually every company, organization, and agency in Orange County depends on professionals with business skills, and community college career education grads are putting their Business & Entrepreneurship training *to work*.

***Business is Booming...***

- The Los Angeles/Orange County region boasts the **largest number of small businesses** and the highest total small business sales in the state.
- The average annual wage for business operations occupations was \$68,350 as of May 2018—nearly \$30,000 higher than the average for all careers.
- Opportunities in the business sector are growing at a higher-than-average 10% rate, with the U.S. Bureau of Labor Statistics projecting 773,800 new jobs by 2026.
