A LIVING WAGE. RIGHT NOW.

Demand for logisticians is high in California, with annual salaries averaging \$81,580.

The international trade sector supports more than 200,000 jobs in Orange County.

California exported more than \$170 billion in goods to 229 foreign economies in 2017, accounting for 11.1% of total U.S. exported product value.

A WORLD OF OPPORTUNITY...

Global logistics is a complex puzzle, and with \$171.9 billion at stake in California alone, the **need for skilled and savvy problem-solvers** has never been greater.

The nearby ports of Los Angeles and Long Beach, both ranking among North America's 10 busiest cargo centers, provide a versatile range of opportunities for logisticians, operations specialists, freight agents, and shipping clerks. More than 200,000 Orange County professionals are earning great salaries—an **average of \$78,950 annually**—in the lively world of international trade.

Their journey started with a career education, and with the help of your local community college, you can **start your own international adventure!**

DRIVING ORANGE COUNTY.

California is an international global trade and logistics leader, accounting for more than \$160 billion in goods every year and creating demand for career-educated professionals in marketing, logistics, supply chain management, and more!

FACT

Jobs in this sector pay 18% above the national average, according to the U.S. Bureau of Labor Statistics.
