

CNC MACHINIST

AUTOMATICALLY HIRED.

ONE DOOR to a profession in precision.

CNC MACHINIST APPRENTICESHIP

Wallace State Community College

Met-South, Inc.

ONE DOOR.
WALLACE STATE
HANCEVILLE • ONEONTA

This is not a drill.

More than ever, it pays to have the latest skills.

Computer Numerically Controlled machinists are in demand across industries like aerospace, automotive, consumer products & more, with CNC programmers commanding an average salary of \$48,160* in Alabama.

The CNC Machinist apprenticeship program at Wallace State puts you in control of your career with **8,000 paid hours** of authentic industry experience, hosted by aerospace parts manufacturer **Met-South, Inc.** (Hanceville). Apprentices earn money while completing requirements for their journeyman's card, often being hired immediately upon graduation. The door to your destiny is open... are you ready to take the next step?

EARN WHILE YOU LEARN.

Get paid while you power up for an even bigger paycheck. **With no tuition, textbook or equipment costs**, apprentices can potentially graduate **debt-free**.

LET YOUR LION LOOSE.

WE'LL COVER THE COST.

✓ **TUITION** ✓ **BOOKS** ✓ **TOOLS**

REQUIREMENTS

CNC Machinist apprentices must:

- Be 18+ years old w/ valid driver's license
- Be eligible to work in the U.S.
- Meet prerequisites and maintain a 2.5 GPA

//

It's a great opportunity to learn more about your trade from someone more experienced."
