TOOL & DIE TECHNOLOGY APPRENTICESHIP

Wallace State Community College

Y-Tec Keyflex Toyotetsu Alabama (YKTA)

Magna KAMTEK

Build beyond the classroom.

Don't wait another day to start casting a mold for a more secure future.

Wallace State has partnered with automotive parts manufacturers **YKTA** (Madison) and **KAMTEK** (Birmingham) to provide five-semester apprenticeship programs leading directly to high-paying toolmaking careers.

Tool and Die Maker apprentices earn money while being mentored, developing on-the-job skills for a specialty career paying an average salary of \$59,700* in Alabama. Meanwhile, they earn an **AAS in Machine Tool Technology** from Wallace State, opening the door to even bigger industry opportunities.

EARN WHILE YOU LEARN.

Get paid while you power up for an even bigger paycheck. **With no tuition, textbook or equipment costs**, apprentices can potentially **graduate debt-free**.

LET YOUR LION LOOSE.

WE'LL COVER THE COST.

- ✓ TUITION
- ✓ BOOKS
- ✓ TOOLS

REQUIREMENTS

Tool and Die Technology apprentices must:

- Be 18+ years old w/ valid driver's license
- Be eligible to work in the U.S.
- Meet prerequisites and maintain a 2.5 GPA

“ We want to get our foot in the door and build relationships with skilled students at Wallace State. **We're in it for the long haul.”**

Bob Crull General Manager for Engineering & Maintenance
Y-Tec Keyflex Toyotetsu Alabama (YKTA)
