## Ready to make 'em roar?

Now is your chance to be part of an in-demand industry that never stops moving.

Get your career in gear today with Wallace State's Truck Mechanic apprenticeship, now accepting new students.

The program is the first of its kind in Alabama, offering hands-on, high-tech job training through partnerships with local employers **ACTION Resources** (Hanceville) and **Fitzgerald Peterbilt** (Birmingham). Apprentices graduate with a **degree in Diesel Technology** and the specialized skills to attract an average salary of \$46,420 (Alabama) in an essential industry.

That roar you're hearing? It's not a diesel engine. It's the Lion inside, waiting to turn your passion into pride.

### EARN WHILE YOU LEARN.

**Get paid** while you power up for an even bigger paycheck. **With no tuition, textbook or equipment costs**, apprentices can potentially graduate **debt-free**.

## LET YOUR LION LOOSE.

**WE'LL COVER THE COST.**
